CAPABILITY STATEMENT

CAGE: 8YYN7 DUNS: 118006743

Marvell Foods is a third-generation, family-owned food trading, food brokerage company. With more than thirty years experience, and offices coast to coast. Marvell Foods has created an unparalleled network of relationships with a broad spectrum of clients domestically and internationally.

The company buys, sells, and trades a wide assortment of food products on behalf of some of the country's largest companies, including Big Box Retailers, Independent Food Operators, and Discount Retailers, among a host of other companies.

Since August 2020, Marvell Foods has been involved as a Subcontractor/Supplier/Distributor supplying food products (proteins, among other products) as part of the USDA Farmers to Families Food Box Program [FFFBP]. Marvell Foods has worked with USDA BOA Holders/Awardees as well as manufacturers across the country facilitating the production of more than 20 millions pounds of food for inclusion in the FFFBP. Marvell Foods' efforts have helped to not only support the employment of thousands of workers in food plants, but as important, their work has helped to feed tens of millions of Americans across the country during the pandemic and families suffering from Food Insecurity.

Marvell Foods supplies foods and food products to the Federal and State Prison System, food banks, commissaries, churches, ministries, and school food programs. Marvell Foods has offices coast to coast; their business includes pet food ingredient sourcing and import and export internationally. The company has received recognition in both mainstream media as well as various food industry trade publications. (Refer to website: www.MarvellFoods.com)
